

Summary:

Item	Part Description	Manufacturer	Manuf. Part #	Qty. used	Location Used	Assembly method	Standard or optional part?
1	Air-to-air cooler unit, front intake and discharge, with shroud	Heiss Welding	251-058-000	1	Vertical, bolted to frame with rubber bushings	Bolted	Standard
2	Air-to-air cooler unit, side intake and discharge, with shroud	Heiss Welding	251-060-000	1	Vertical, bolted to frame with rubber bushings	Bolted	Optional ILO item 1
3	Air-to-air cooler unit, rear intake and discharge, with shroud	Heiss Welding	251-059-000	1	Vertical, bolted to frame with rubber bushings	Bolted	Optional ILO item 1
4	Rubber mounting bushing, 0.5" ID		KO66-266	6	Intercooler	Bolted	Standard
5	Normally-open pressure switch, electrical, 3 pound	Cole-Hersee Co.	5582-10	1	Inlet side cooler tank	Threaded	Standard
6	Switch, 30 amp, off-on	Cole-Hersee Co.		1	Customer location	Threaded	Optional ILO item 5
7	Temperature switch, , 100°F, normally open, 12V	Kysor		1	Inlet side cooler tank	Threaded	Optional ILO item 5
8	Solenoid, electrical, 12V, weatherproof	Cole-Hersee Co.	24117	1	Cooler shroud	Bolted	Standard
9	Threaded bung, aluminum, 1 in. OD, 1/4 in. NPT thread			2	Intake and discharge pipes, intake cooler tank	Welded	Standard
10	Cooling fan, 12V, 16" dia., pusher, with shroud	Revcor Molded Products	8400303W	2	Cooler fan shroud, 2 locations	Bolted	Standard
11	Bimetal thermometer, 50°F - 300°F, dial type, liquid-filled, with integrated probe	Ashcroft	7GA-00894-007	2	Intake and discharge air pipes	Threaded	Standard
12	Bimetal thermometer, 50°F - 300°F, dial type, with 5' remote probe	Trerice	130-S013	2	Intake and discharge air pipes	Threaded	Optional ILO item 11
